2 Comes With Age comes to this start with two straight gallops. Should be improved by a run under his belt. Good chance to win. **6 Cyrano de B.** has high capacity and the Per Lennartsson stable is in fine form. **12 Diluca Mo** has been a disappointment for Jerry Riordan. However, he looks like a horse with very good potential. Possible. **7 Readly Lavec** did well in his comeback.

11 Rolyman has been doing really well lately and even though he has made quick money he faces nice conditions here. Simon Helm is experienced and this lane is perfect. **5 Van Gogh O.** has a bit of a special style but showed the right attitude and good strength in the last race. The scratch is an advantage. Early contender. **3 Vikens Tracker** has three runs under his belt and will be tested barefoot now. **13 Magic Eagle** is strong and should be considered without a mistake. Driven by ordinary driver Max Karlsson.

5 Young scored a really nice win in the last Solvalla race. Ran bare-foot then and that seemed to work well. Regardless of position Eric Martinsson's trotter should have an excellent chance to finish to victory. **3 Escargot** kept up the pace alright from outside the leader last time. **4 Heavenly Flavours** has galloped in three straight starts, but has the capacity to be in the mix. **6 Com Bella** has never won but is not that bad. Two runs under his belt now.

3 Darryl Dawkins is still chasing the first win of his career. Coming back after a short training period. Quick starter. Early choice. **4 Intervetten Am** has shown good capacity, but is not reliable. First trained by Timo Nurmos, but now by Christoffer Eriksson. Won despite a tough journey two starts back. Early contender in an open race. **6 Gratulations** is undefeated and still without a mistake. **11 Global F.N.P.** did well in his debut in the last race, finishing second behind our pick. Possible but needs some racing luck.

2 Pac Man made his comeback last time and did well behind a really nice Daniel Redén-horse. Should be improved by that run under his belt and runs barefoot now. Very interesting. **1 Xanthis J.R.** does well most of the time and is developing. Carl Johan Jepson is exciting. In the fight for victory. **6 Martimo Sjöhammar** is still chasing the first win of his career. Owns good strength. **11 Emothi** faces a 20 meter handicap. Consistent and good and has the right attitude. Possible.

1 Zebulon has made three starts this year and been good every time. Tricky lane as he is not a very quick starter. Should still be considered early. **6 Tour de Valley** made a mistake last time in the V75. Showed good form before that, but five weeks have passed since then. Quick starter. **7 Tug Of War** has high capacity, but is not reliable. Possible with the right defensive trip. **2 OMHazebrouck** won in good style in the last race. Dangerous if he could reach the pocket.
