10 Jack J.E. did not impress in the last race on Hoting but he is the best horse in this field and he uses to meet tougher opponents. Very good chance to win. 3 Takemetoheaven is in very good shape and faces nice conditions here. Will not be easy to beat in the front and is the main challenger. 6 Charlotta S.H. comes from victory against easier opponents but should be followed in this company too. Early choice. 2 LivinlikeaprinCESS came back well after a mistake in the last run and is in good form. If she avoids an error she will be in the mix.

Main challenger. 6 Solstjärna A.C. has not impressed lately but has one run under her belt now and uses to meet somewhat tougher horses. Has to be considered here. 4 Hallsta Molly has good skills. The form is a question mark but she won on Hoting in the seasonal debut last year.

11 Mon's Tornado got locked in with energy left in the last run and is in good shape. Is a good horse for the V75 and is better drawn than the main rivals. Our pick. 15 Global Boost won after a tough finish in the last race on Hoting. Has to pass many opponents here but is good enough to do so. 4 Melbourne Boko is nice and won directly after a layoff in the last run. Could find the lead here and has to be considered in that position. 13 Helena Fagra comes from victory too. Different number now but has to be followed with a similar performance.

In the mix here with the right journey. 11 Pyckolina has not convinced lately but is normally very good for this class.
