10 Sjö Vant comes from two outstanding wins. In the last run he won from outside the leader. In the race before he showed that he stands the long distance. Top chance. Banker. 6 Teknolina is consistent and good but does not win very often. Good place chance here. 3 Ethel scored four wins in a row this winter. Galloped a couple of times in March and is back on track now. Debut over the long distance. 4 Hibo Viking has one win in 68 starts but is very consistent. Place chance.

Ridden race. 13 Uret needed the last run after a pause. Won seven times under the saddle last year and is our pick despite this tricky number. 10 Billions beat our pick when they met on Hagmyren at the end of June. Would prefer over-pace this time and will pass many opponents in that case. 8 Selfie Brodde is consistent and good and won the last run in the lead. Early choice here as well. 7 Mellby Galanga has not convinced lately and the form is a question mark. Has not competed under the saddle since the summer of 2021. Put in many good efforts under the saddle then.

1 Allan Zonett is a well-bred four-year-old who has started with two wins. Debut behind the gate here but if he handles this number he should win this. 11 Gazella has quite good speed. Galloped with 800 meter to go two starts back but came back well. 10 Stop the Count resumes from a spell. Galloped a lot this spring but has also shown good capacity. 6 Vidar Burge has place chance but needs some racing luck with this number behind the gate.

6 Farmens Riska is a nice four-year-old mare. Did well against tough opponents on Romme two starts back and won easily in the lead in the race after. Nice chance if she avoids a mistake. 11 Melinda is not used to this short distance. She needs to set a new record to fight for victory here. She is capable of doing so. 4 Lova Lux is up and down and the chances are not easy to predict. Scored a good second spot two starts back from outside the leader. 15 Månrappla A.M. is better than the latest results show but this number and this handicap are very tricky over the short distance.

2 Douanier is the best horse in this company. He has five wins in 14 starts. The form is a question mark though. Our pick anyway with this nice number. 1 Fetter Tir comes from a heat and a final the same evening. Won in the lead in the heat but made an early mistake in the final. Challenger but this number could be tricky. 10 Kocu Boko finished well in the last run and is in good shape. Will defeat many opponents here in case of quick pace. 6 Huit was not at his best in the last run and has been a non starter after that. Should not be overlooked here.

6 Satine Rose won in the lead two starts back and came back strongly after an early mistake on Gävle. She should handle this distance and will be driven by the trainer this time. Our pick. 11 Timotejs Karamell beat quite easy opponents in the last run but looked nice. She will defeat many opponents here but needs some racing luck. 7 Hisco de Florange led with a couple of lengths in the last run but got caught at the end. This 2640 meter should suit the horse well. 3 Bellamy McLin finished well to second two starts back. One out of several outsiders here.
