- 1. IOUM ROCHELAIS** - Out of the frame the last three runs over fences, the latter over 4200m in April. Others preferred
- 2. BAT DRIM** - Out of the frame the last two runs but won before that over 4200m over fences in May. Vulnerable
- 3. INSTANT PRECIEUX** - Has been running well over fences, 2nd on the last run in a chase over 3900m at Morlaix in mid-June. Live chance
- 4. WEST END GIRL** - Out of the frame in a Grade 3 chase last time over 3600m at Auteuil in mid-June. Capable of making an impact
- 5. DIAMANTAIRE** - Tries fences again, a winner at Pau over hurdles two runs back in February over 3500m. Player
- 6. JOSHUA MOON** - 4th last time on the flat was over 3100m, unplaced on chase debut in June over 4200m. Looks safely held
- 7. WHERE'S THE PARTY** - Nice winner over 3400m at Niort last time in late June. Makes chase debut and not to be overlooked

Summary : WEST END GIRL (4) will be more at home here than a Grade 3 hurdle she contested at Auteuil last month. She can get her second success over fences. DIAMANTAIRE (5) failed in his only run over fences in January in a Class 1 race at Pau, but he has been in good form over hurdles lately and is of interest back over fences. INSTANT PRECIEUX (3) has plenty of experience over fences, this is a better race, as he was second in a Class 4 chase last time at Morlaix in mid-June, but he should make the frame. WHERE'S THE PARTY (7) can have a say on his chase debut.

- 4. ONE CALL AWAY** - Unplaced last time, 3rd before that over 3800m at Nancy in May. Opposable
- 5. HOOLA HOOP** - Won over fences last time over 3900m at Morlaix in June. Can not be overlooked
- 6. STORMICAYA** - Fair 2nd over fences last time at Gemozac in late June. Others look better equipped

- 9. ANZORIE** - 3rd in a Listed race last time over fences in August 2022. Can make the frame on return from a break

Summary : BEAUTIFUL MAULDE (1) was an easy winner by 9.5L at Castera-Verduzan 14 days ago. She seemed to like the return to hurdles and should win again. PRINCESS LEA (3) looks like the biggest danger, she was a bit below par last time but was second at Wissembourg before that and can make the selection work hard. HOOLA HOOP (5) should not be inconvenienced on the return to hurdles after a win over fences last time at Morlaix, he can make the frame. ANZORIE (9) ran a respectable race in a Listed chase last time when third and should not be overlooked.

- 11. AFAREET** - Unplaced on only run over hurdles at Dieppe 14 days ago over 3400m. Hard to fancy

Summary : KA FEE INN (1) will find this race more to her liking than the Class 1 she raced in at Auteuil when last seen. She won a Class 3 hurdle at Auteuil in May and should be too smart for her rivals. WINNER HORSE (2) is the main threat, he was a bit below par last time having won on his second run over 3700m in late May. He looks as though he has a good bit more to come. RIVER GOLD (3) is one to be included in all of the place bet permutations, she fared well when third at Compiegne in late May. KENYA DU SEUIL (10) looks best of the remainder.

- 10. MAKADY BAY** - Failed to compete on only run over 3000m at Auteuil in March. Opposable

Summary : ASSORDA (3) can take a good step forward from a promising second at Auteuil on her debut last month, she looks like the likely winner ahead of KAPRILIA (2) who has won 2-2 so far over hurdles and will need more improvement if she can make it a hat-trick, but it is not out of the question. SHAMALRA (1) ran a solid race when fourth in a Class 2 race last time and looks the best option for the each-way players. SPEED DE CERISY (6) has run well at this racecourse when last seen 14 days ago when second and should not be discounted.

Summary : FICTION DU BERLAIS (2) has had two credible runs in Class 2 races at Auteuil so far. She gets a marginal vote ahead of JAMES'S PASSION (1) who scored by 8L on his only run so far over hurdles at Sable-Sur-Sarthe in early June. Both look progressive types and should have the finish between them. TCHAKOVIEV (9) has not progressed since winning a Class 1 race on the flat at Angers in May 2022 over 2300m. If taking to this discipline he is a live threat. JOYEUSE MOME (12) has shown promise in Group AQPS races on the flat and can not be ruled out on hurdle race debut.

RASANGO (2) cruised to victory last time at Compiegne in a claiming hurdle in early May. More is needed in a better race but he has strong claims despite his advancing years. His dam won over hurdles and fences, he will be well educated and can be expected to make a successful debut from a powerful stable. INDOMINO (7) has had the benefit of having had a run. He shaped with promise when fourth at Vichy and can pose the main threat. DONA JUANA (11) showed some talent on her only start when she was not far behind INDOMINO (7) when they met on debut, she can make the frame. JAPRIL FOOL (5) can progress from a second at Corlay on debut and should have a leading say.
