1 Ava Modde is our pick in this sprint race for cold-blooded horses. Had a lot of energy left last time and chases revenge here. **7 Stålviktor** is the main challenger. He faces good conditions money-wise this time and has shown good form of late. **9 MPDomino** is much better than the latest results show. Has galloped quite a bit but if he avoids a mistake he can fight for victory. **5 Ravn Kiro** was fifth in the V75 at Boden and ahead of some of today's opponents. Should not be overlooked.

12 N.Sixten is our pick here. He is consistent and good and comes from victory, albeit a lucky one. **5 Ålia Revolt** is a 12-year-old in good form. Comes from victory and was closely defeated from the lead two starts back. Goes for the front? **8 Backegutten** is perhaps the best horse. He took four straight wins last year but was not at his best after that. Comeback now and the form is a bit hard to predict. **15 Bäckjerva** has not won yet after 35 (!) attempts but a victory is getting closer and closer. Watch out!

7 Devils Tongue is the best horse and will normally win this. But he hasn't competed for a while and this lane is tricky. Probably shoes and regular sulky too. **8 The Bald Eagle** faces nice conditions money-wise as well. He was brave last time after a rather tough race. **5 Every Day Elegant** is interesting in his debut for a new trainer. Hasn't won for a long time but good draw and driver. **1 Just Celebration** looked to be heading for victory last time but gave up at the end. Good draw.

10 Heineken Bishop is our pick in this nice and open race. Was third despite a gallop last time as a big favorite and chases revenge here. **15 Infinite Mass** has earned most money and received the toughest number here. The horse is in good shape and will pass many opponents. **7 Highrise** looked a bit slow last time but came back well and might even have won without the mistake. Tricky draw. **11 Mellby Javier** has done well in two races after the layoff. Was brave last time. One out of many contenders!
