4 Tangen Birk has been more strong than fast so far and prefers quick pace. Comes from a brave second spot and will go for an early lead here. 9 Teknopys galloped fighting for victory on Hagmyren on July 29th. He has good speed for this class when he avoids a mistake. Should be considered early. 6 Norrlands Jerven has not been successful lately but he has scored three wins in eight starts anyway this year. Outsider. 5 Fräcke Blixt was second despite a mistake two starts back. Possible.

5 Breakingthelaw Ås finished alright from behind the leader in the last run. Is not bad and won on this track Hagmyren in June. Our pick in this mediocre race. 8 Grand Duke won two starts back but was not as good in the last run. If he lives up to his capacity he is good enough to challenge for victory. 1 Polly Laday finished well to second two starts back. Interesting number together with Ulf Ohlsson this time. 7 Mionetto T.P. resumed from a pause in the last run and did not impress. Can do better than that and is an outsider.

8 Pyrotek should have a good chance here. He got a tough start on Bergsaker on August 7th before reaching the front. He won comfortably and has top chance. 13 Moshus Prinsen met tougher opponents in the last run and never had a real chance. Scored three wins in a row before that and is a challenger here. 11 Målbo Urbin got a tough journey in the last run and we forget that one. Is good enough to be in the mix. 3 Kruson has not convinced for a while and the form is a question mark. Has good skills and should be considered early in this company.

12 Florence Ima was brave in the last run after a tough opening. She is poorly drawn but our pick anyway. 11 Zack Bris has got a bad number too. Has been competing a lot under the saddle lately but got locked in with energy left in a sulky race two starts back. 1 Whispering Pines has got a nice number together with Ohlsson. Is gifted and could lead this throughout. 4 Sweet and Wild is better than shown lately. Outsider if she lives up to her capacity and handles this number.
