2 Lucky Lane didn't win a race last year but has done great this season. Was third last time against better opposition and had five straight wins before that. Good chance again. **4 Kyrkebys Arli** won two races in June and is quite good for this class. Driven this time by Petter Karlsson. **7 Forcebewithyou** was superior in July but had no chance against our pick after that. Needs some racing luck from here. **9 Just Wish Boko** is clearly better than the latest results show and can be a nice outsider behind the favorite.

9 Kyrkebys Lisbet is our pick here with some hesitation. She has started well and took two wins in June but faced too tough opposition last time. Tricky draw. **2 Tobi Hall** is an early choice for us. She can open fast and has three out of three from the lead. Faces good conditions. Watch out! **5 Pippi Jons** had no chance last time against far better opponents. Easier now and one out of several contenders. **6 Krispy Cream Sisu** is quite consistent and good and possible with the right trip.

1 Knox Newport is the only horse in the first turn and will of course take the lead. Has two out of three from the front. Our winner. **13 Bowler Day** is clearly better than the latest results show. Took a close victory from the lead at Charlottenlund in May. Has been quite unlucky at the end. **3 Sun's Ambitious** has already three wins this year and he is also better than the latest results suggest. New driver. **7 Edforever** is quite strong and this long distance should suit the horse well.

6 Francoise SH faced too tough horses last time but has otherwise had a good year. Is fast from the start and our favourite for the lead. **9 Heads or Tails** comes from two straight wins. Is in top form but this lane is tricky. Good driver. **2 Marjons Mio** is much better than the latest results show. Has faced clearly more difficult opponents than these. Good draw. **1 Kehewin Goj** returns after a layoff. Has many second places so far. Gets a nice trip from here.
