3 Caia has developed strongly for Fredrik Wallin. Faces much easier opponents this time and is one of the quickest starters in this country. Top chance to lead this from start to finish. **1 La Fille De Niky** has been good all year and deserved the last victory. Good form and nice lane for a defensive trip here. **11 Dama Di Prussia** didn't trot well last time but still held strongly behind, among others, winner La Fille De Niky. **2 Husar Brick** has two wins out of five after the layoff and can open quickly.

7 Nappa Hall won closely but narrowly from the front last time. Has a run under his belt and could find the lead, from where he has taken both victories so far. **9 Rajdon Time** has already run two races for the new trainer and should be on the way up. In this low-class race, he has to be considered early. **2 Dicks Menja** has competed in significantly tougher company at the end and also set a new record. **10 Ahtohallan** put in a good finish second last and is approaching the first victory of his career.

14 Gaylord Am comes from a stay in Frankrike where he did well. He is trained by Timo Nurmos now and certainly well prepared. He is used to significantly tougher opponents and passes many horses despite this double handicap. **9 Denali Doc** has shown good form for a while and has been met tough horses lately. **15 Declan** looked fine but got locked in with energy left last time. Outsider. **6 Eldorado** looked very good when he won last time and faces nice conditions money-wise.

2 Nautica comes with two straight victories and is in good form. Is both fast and strong and our pick from this nice lane. **3 Global Excellence** is not reliable but owns high capacity for this class and should fight for victory without a mistake. **5 Make It Q.L.** got a tough journey on the outside of the leader last time. Got locked in with energy left before that and scored a good win in the lead before that. **4 Flight Crew** and **1 Natalie Cogger** can open fast and could cause an upset with the right trip.

7 Beauty Evo scored a nice win in the first start for Andreas Lövdal second last and finished fast after a late opening. Good form in other words and early choice in this company. **2 Dedes Vici** has put in consistent and good efforts. Jorma Kontio for the first time is interesting and now the horse only meets mares. **11 French Omellete** is also good for this class but needs some help along the way. **3 Kent's Catch Mee** has quite good speed but the form is a question mark.

9 Fahrenheit never found room last time in his mini-comeback and finished well as fourth. This long distance is a plus as he is more strong than fast. Our winner. **10 In Motion** met good horses as a 3-year old in Germany but has only made one start this season. That was after a long pause and in a very tough company where Ester Degli Dei won. **2 Timotejs Märta** has looked good for a long time, but didn't show the right impression last time. **7 Gavin Rich** finished well after a long layoff last time.
