3 Fashion Monger competes against top horses in almost every start and was fifth in the Breeders' Crown final last autumn. Is working well now and has a very nice task. **6 J.S. Camaro** galloped on the way to victory over the home stretch last time. Small changes now and the horse is a quick starter. **7 Global Election** met very good horses in Germany second last and held strongly in the lead last time. **2 Shejk** is capable but has not been at his best lately. Is good enough to be in the mix.

3 Ebba Kuce has made two starts for a new trainer and been improved. She won after a fast final lap in the last run and with a similar effort she will be hard to beat again. **1 Nice Steel** did well last time after a defensive trip at Solvalla and put in a fast final lap. She can open quickly and will probably be driven in the lead. **14 True Blue** got locked in with energy left last time and is much better than the latest results show. **9 Candle T.T.** held strongly in the lead last time after a fast final lap.

11 Maradona B.R. is really good for this class and should have top chance despite this number. He gave up after a tough journey against top horses last time but beat Walmann outright recently. Our winner. **2 Booker's** did well last time from mostly the pocket second up but has been more strong than fast so far. **5 Reserva** is quite good too and has taken two victories recently, but he was not as good last time. **8 Niras Hoppetossa** has good speed but is poorly drawn.
