1 Four White EG impressed last time and scored a superior victory. Now debut behind the gate, but with the right start, he should once again have good chances of winning. **10 Sir Heartbreaker** won easily in the Swedish debut, but was not as good at all last time. Normally in the mix here. **7 Luisa Sisu** gave up last time after a race on the outside. Difficult draw now, but should not be discounted. **8 Kalypso Sisu** has three straight gallops. Nice speed resources and without a mistake he is in the mix here.

1 King Chaos followed well last time, but was even better when winning from the lead before that. Can open quickly and should be seen as favorite for the lead. Difficult to pass from there. **7 Anlara Sock** is undefeated under the saddle after one start and should be considered despite this starting position. **8 Feel Speed** decided in a positive way last time. Likes to compete under the saddle and should not be overlooked. **5 Comondoro Play** is unbeaten on this track after two starts. Is possible too here.

1 Lovebird Journey has impressed greatly in her two starts, both of which ended in easy wins. The mare is normally better than her opponents here and she should have top chance. Somewhat tricky number though. **6 Ogene Bros** has put in two really nice efforts and should be seen as the biggest challenger to the favorite. **7 Ecurie Brodda** was outstanding last time, but faces slightly better opponents now. **3 Zucchini C.D.** is in good form, but mainly a place bet this time.

4 Stoneisle Vertigo returns after a long layoff, but is certainly well prepared for this seasonal debut and should have the best chance to win the race. **2 Denco'S Rioja** is a quick starter and the favourite for the lead and in that position she has taken two of her total of three victories. **5 Diamond Sid** galloped last time, but finished well when the opening came the time before. Has good speed. **3 Blue Frontline** won an easy race last time, but the impression was really good.

6 Nurmos Boko is very nice and has won four of his total of five starts. Now debut over the short distance and that is hardly a disadvantage. Probably an offensive trip and good chance to win. **5 Merlot B.Tomazic** has made three starts after almost a year's pause. Good draw and in the mix. **4 Kimi Pace** has shown consistent form for a long time. American bike for the first time is interesting. **2 Global Evidence** is consistent and good and could be on the podium again.

1 Southwind Boko galloped directly last time and has a weak point right at the start. Has very good speed for this company and fights for victory without a mistake. **3 Game Brodde** has been matched against very tough horses most of the time. Goes down a bit in class here and will be interesting to follow. **5 Bear Hope** uses to finish well and should be considered with the right trip from behind until the home stretch. **10 Global Collection** got a run under his belt last time. Outsider despite this draw.
