In the mix again. **4 Thai Terminator** has a nice starting position and is definitely a horse that can win this race. **2 Stella P.E.T.** did not impress last time. Barefoot now is interesting.

7 Febe faces good conditions and comes from a good effort. The draw could of course have been better, but he is good enough to win the race. Our pick. **1 Marco Valerio** has good speed, but is not reliable. In the mix without a mistake. **2 LA's Aela Skye** got locked in with energy left last time. Gets a defensive journey and is possible with some racing luck. **6 Victoria Lins** looked nice last time and is in better form than the results show. Early choice behind our favorite.

8 Voje Lotta did well last time as third over a fairly short distance. Better conditions now and it will not be easy for the others to answer her during the final lap. **6 Prinsesse Ness Tjo** beat our pick the last time they met and can do so again. Main challenger. **9 Overvik Prinsen** held strongly to a second spot last time in the Norwegian Derby. Challenges the best here too. **7 Will Nick** just kept up the pace last time. Looks for a nice trip from behind and should primarily be seen as a place bet.

8 Ramstad Stjernen made a really strong effort last time after both a gallop and a very tough journey. Good chance and will be hard to beat despite this poor number. **10 Torø Rasmus** galloped directly in the last ridden race. Uses to finish strongly and could pass all opponents during the final lap. **11 Vidarson V.S.** keeps his nice autumn form and is good enough to be in the fight for victory. Difficult starting position though. **12 Hauan Stjerna** beat our pick the last time they met. Should not be discounted.
