7 Go Fast Shadow had a strong finish last time in a V75 race won by Sabasi. Clearly easier opponents now and the mare should be seen with top chance. **8 Lady L.L.** is good for this class, but has a difficult starting position. Can win if the favorite fails. **5 Ginetta** is often in front and will be in the mix here too even if she will find it hard to win. **1 Petra H** has a perfect lane for a defensive trip and with an opening at the end she is on the podium.

4 Feluca Shadow did alright in his comeback last time. Is probably better with that run under the belt and from the lead the horse will not be easy to beat. **8 Jasmin S.H.** scored two good wins in a row in July. Not as good at the end, but is in the mix if she lives up to her capacity. **2 Idaho** is on the way to top form after a short break. Should not be overlooked from a nice starting position. **9 It's Me** gets a defensive trip here and would prefer quick pace here.

3 Kiki Soto won with energy spared last time and followed up her debut in the best possible way. First start behind the gate, but we don't think that will create any problems. Our pick. **6 Joanna** is a bit up and down in her performances, but if the mare has a good day, it could be enough to win. **11 Karla Di Damgård** has been at least second in her three starts. Difficult draw, but will be in the fight for victory. **5 Hestia Vincent** finished quickly last time and the form is on the way up.

4 Furst Igor is good for this class, but not completely reliable. If he just trots all the way, he won't be easy to defeat. **2 Huxie Sensei** scored a good win last time and if he takes the lead - just like last time - he is the horse to beat. **8 Koroleva San** has high capacity, but is far from easy to drive. Early contender anyway. **3 Hercules Act** is consistent and good, but should primarily be seen as a place bet.

1 Kathy Dragon has shown good form lately. Nice draw here and she should be seen with the greatest chance to win. **10 Illustrious One** was clearly improved last time and should the mare come up to the same level, she is an early choice in a wide open race. **2 Jacks Cross** is not bad and with the right journey the horse is possible here. **9 Happy Ice** won an easier race last time. Looked nice and should not be discounted despite this draw.

2 Vamos Flax comes from a heat to the Swedish Derby and never had a real chance in that race won by Kuiper. Easier now and should be seen with good chances to win here. **1 Jackie O.H.S.** has a perfect number and is in great shape. In the mix. **3 Here's Johnny** comes with two wins in a row. Better with that last run under his belt and has to be considered. **11 Hexia De Trick** matches the best horses in the race, but is disadvantaged by this starting position.
