3 Hulte Alva was very good from the outside of the leader last time and is our pick. **1 Pyrotek** looked on the way to victory from the front last time but did not trot well shortly before the finish and got disqualified. Chases revenge! **2 Trö Kasper** won over the long distance on this track in August. Had energy left last time as sixth. **6 Kalmar** was close to win in the V75 second last. Has been a scratch after that and was not at his best last time. The form is a question mark.

1 Lynam is very well-bred (half-brother to Joviality!) and very exciting in this debut for Daniel Wäjersten. Had a long layoff but is certainly well prepared. Normally top chance in this company. **6 Infinity of Joy** has started well and is a challenger. Third after a big mistake last time. **11 Ozzy de Veluwe** won very easily last time and is driven by Tomas Pettersson again. **4 Sundbo Salix** starts very often now but is good enough to fight for victory.

RANK

12 Zirkon Klipp is our pick in this mediocre race. He has done well at the end and is driven by his regular driver which is a big advantage. Poor number but good chance. **14 Pineapple Tour** won with this driver last time in an over-paced race. Hopes for quick pace again from this difficult draw. **13 Seduzione Osåfin** won on this track and with this driver in mid-September. Has to be considered the right trip. **4 Innersniffen** was second behind Pineapple Tour last time. Gets an offensive trip?

8 Huddlestone faces very nice conditions here and has got a run under his belt. Driven by Mats E Djuse this time and we hope he is offensive from the start. **11 Cab Frontline** finished quickly from a difficult draw last time in the V75. Tough lane again and hopes for quick pace. **10 Hannibal Face** has been matched in the V75. Galloped directly in the debut for his new trainer last time but has got a run under his belt now after a longer layoff. **5 Mission Beach** is a very quick starter but will probably be driven from behind this time.
