7 Burning Love E.P. had a tricky number against good opposition last time and got defeated after several wins in a row. Good for this class and nice chance to win this race. **6 Code Young** is often in front and in this small field we'd be surprised if he isn't in contention for victory. **5 Kong Du Dalm** may not have the same form as earlier this summer, but he still has the speed to be in the mix. **2 Syoss** is in decent form, but should primarily be seen as a place bet.

2 Special Toy comes with three straight wins and has been at least third in seven starts this year. Perfect draw and our pick. **3 Malika** has done well in several starts without winning. Should be seen as the biggest challenger to our favorite. **4 Denco's Angel Eyes** was mediocre last time, but can do much better than that. **1 Merci Pan** has not won during the season, but has a nice starting position now. Possible outsider for a place.

3 Myras Baron has done really well so far, winning three of six races. Quick starter and not easy to reach from the front. **5 Eikrappen** kept up the pace well last time after an early gallop. Speedy horse who should be considered if he is as good as when he won last time. **7 Mjølner Flaksen** has taken two wins after the layoff and is only getting better for each start. **1 Nordsjø Anja** is back after a pause. Challenges for victory if well prepared.

Has the capacity to be in the battle for victory despite this double handicap. **1 Stjernebjørn** impressed last time. Favorite for the front here and leads the race for a long time. **11 Grude Elling** has good speed for this class and has to be considered with the right defensive journey.

8 Ness Tjo Tyr is very consistent and good and the five-year-old has won four of eight starts this year. Is the best horse here and should have a good chance to win. **3 Øksi Ø.K.** has a good chance to reach the front and we believe she will be driven in that position this time. Main challenger. **1 Tjuagutt'n** has good speed, but is not reliable at all. Outsider if he avoids a mistake. **6 Wik Odden** never had a real chance last time and will find it hard to win this too. Possibly a place bet.

Contender. **4 Badlands** is consistent and good but still has not won after nine attempts this year. **8 Hans Reerstrup** has a difficult starting position.
