3 Klondyke River has always shown fine talent and good strength, but often galloped too. Now he comes from two consistent and good efforts and if he avoids a mistake, he should have a good chance. **1 Enzo Jet** is hard to predict, but he has good capacity for this class and with the right journey, he has to be considered. **6 That's So Clever** has a good draw and should he find the lead, he will be dangerous. **2 JS Camaro** should be considered early from the front.

8 Ace Wibb showed good class second last and won easily despite a trip on the outside of the leader. Nice impression and it was followed up with a strong finish last time. Despite this lane, he should be seen with the highest chance to win. **1 Leader Winner** is good for this company but needs some racing luck as he will find it hard to reach the front with this number. **11 Mastroianni** has a run under his belt and he should progress form-wise. **6 Rocky Tile** is not that bad but returns after a break.

3 Bourbon Brodde was able to decide relatively easily in the last race, despite a mistake from the start. He has proven that he likes this discipline and scored a victory and a third place in two attempts. **9 First One Diamond** finished strongly second last. Good capacity and an early contender here. **12 Durello** is speedy and got locked in last time with plenty of energy left. Interesting debut under the saddle and trainer Oskar Kylin Blom sounds pleased. **1 Walk Of Life** has to be considered early from the front.

9 Aston RC was good from far back and it was probably the best performance he has put in. With the right trip the first victory of his career could come here. **10 Ready For Party** was previously a promising horse and is now returning after a long injury break. The now six-year-old gelding probably needs the race, but had really good capacity. **4 Jasper Lee** is a quick starter and from here he is guaranteed a good position **1 Optimum Relight** has good speed with the right trip.

4 Xanthis Harvey has made two starts this year and impressed. Faces quite easy opponents here and even if Daniel Redén announces that the Propulsion-son will be driven from behind, he should have a good chance to win this. **9 Jimmy Ferro B.R.** scored a convincing victory at Bjerke last time and is really good when he lives up to his capacity. **2 Dancer Brodde** has not lived up to the expectations since the victory in the Kungapokalen last year, but he has great skills. **3 S.I.P.** will pass many opponents at the end.
