9 Herina Sotto made her debut for a new trainer last time in the V86 but did not convince. Is working well and has a nice task here. **6 Karma Mearas** has had to open very fast the last two races against tough opponents. Easier now but has been ill and could find it quite hard to find the lead. **5 Queen** sprinted fast last time showing 11/700 meter and comes in great form. **2 Honey Dun Girl** was unlucky last time and we forget that race. Could lead this throughout.

1 Ontario should have a good chance here. She has made two starts and won very easily from the lead. Quick starter and good chance to lead this throughout. **4 Fascination I.T.** is a very exciting horse. She made her debut (!) in a heat to E3 and was defeated by half a length then. Does not trot perfectly though. **6 Fukushima Jet** won easily from the lead last time. **8 Gogo** sprinted to victory and showed nice speed resources in the debut. Is gifted.

7 L.A.Boko has made two starts for the new trainer. First he got locked in after a defensive trip and last time he ran with the wrong equipment. Tough horse and good for this company. **9 Run N'Cola** used to win many race but has not been that successful lately. Interesting debut for a new trainer now. **2 Ikaros Di Quattro** likes to run in the front and could reach that position here. Has a run under his belt and for the second time with an American bike here. **5 Rossi Garline** is better than the latest results show and the trainer is optimistic.
