**5 Pearl Kayz** has a very good task here. Björn Goop's horse wins often and should be allowed to take over the lead if she gets an offensive run. But she can also win in other ways. **9 Sabasi** is the main challenger. She wasn't at her best last time, but has otherwise had a good season and won a V75 race at Jägersro at the end of August. **1 Blue Frontline** is better than the latest results show and gets a nice trip from here. **2 Kicki Lagö** has competed under the saddle and is a bit hard to predict. Good lane and run under her belt.

**3 Hassli Dina** hasn't won yet after 26 (!) attempts but didn't get the chance last time in her Swedish debut and had energy left. Björn Goop now. Good chance in this company. **1 Fax Emil** was also second last time and has a good lane. Run under his belt. Early choice. **6 Alma Odin** has three wins in nine races and is better than the latest results show. Debut for a new trainer Haapakangas. Carl Johan Jepson! **7 Kvick Revy R.F.** has also an interesting lane. Fairly consistent and good and driven by Östre now.

**2 Fancy Free** is our pick in this very open race. He made a break last time on his way to the lead but had done well before. Our favorite for the lead. Good chance in that case. Possible banker. **3 Nolby Palema** won at Axevalla in June. Has a good draw and is now driven by Jepson. **8 B.T.'s Vencor** was second at Örebro and looks to be in good form. Obviously need some luck from here. **5 Denco's Ozzy O.** won at Åby in September. Driven this time by Kaj Widell and has a good lane.

**10 Jikininki** is driven and trained by Björn Goop and has faced significantly tougher opposition than this. Needs some luck from here but has a good chance then. **1 Ess Expression** returns after a layoff. Won at this track in July and is now driven by Magnus Jakobsson. Can open fast. **7 Massai** won at Romme in September and is quite good for this company. Bit of a tricky number though. **8 Hyannis Port** is a stable companion to our pick. Comes from a second place and is now driven by Petter Karlsson.
