4 Ready To Run H.C. has started his career in the best way and is unbeaten after two starts. Now debut behind the gate, but that should not cause any problems. Top chance to score the third win in a row. **7 Mellby Maleficent** won easily last time and should she find the lead, she is the biggest threat to the favorite. **8 Sign Of Times** has done well so far, but this starting position is poor. **1 Queen Gold** gets a defensive trip here and is primarily a place bet.

6 Finnskog Zera has not won on Swedish soil in four starts, but looks to have a nice task here. The mare is a quick starter and from the lead she is not easy to beat. **3 Madeleine R.** galloped from the start last time, but scored two nice wins before that. Good draw and should be considered. **8 Lome Silje** did decently last time. Now probably barefoot for the first time, which is interesting. **1 Björnli Ada** was scored a nice victory two starts back. Should not be overlooked.

11 Henessi Tornado has impressed and won three of his five starts. Nice type who can win this race in different ways and should have good chances of victory despite this starting position. **2 Delwin Rice** still has not won after 14 attempts. Fast when he can save the speed and has to be considered then. **5 Lyckans Judith** has not convinced at the end. Now barefoot for the first time. **7 For Sure Aldebaran** is strong and tough and this distance is an advantage.

4 Powhatan U.S. did well last time in a Breeders' Crown race won by Macahan. Now the four-year-old is going down considerably in class and should have top chance from a good starting position. **3 Ka Boom Mearas** won directly in the debut for Oskar Kylin Blom and we wouldn't be surprised if he takes the second straight. **10 From The Hip** has done well in all starts this year. Paused a few weeks, but should be considered immediately. **7 Takemetoheaven** is still in good shape. Marcus Lilius for the first time is interesting.

Good for this class and usually does not need a run under his belt. Won five out of ten over the distance. **3 Prinsen Af Sola** has a nice starting position and will run barefoot and with an American bike. In the battle of victory. **7 Grådö Bo** is a quick starter and possible too despite this lane behind the gate.
