## RANK

**5 Heavenly Zet** has competed in the V75 of late and most recently he was sixth in a Derby heat won by Fame and Glory. Clearly easier now. Driven by the trainer this time but good chance. **7 Enge Eros** won over today's long distance on this track in July and is now driven by Magnus A Djuse. **9 Xerava C.D.** faces good conditions and has shown good form in the V75 at the end and can challenge. **8 Joy Alissa** has shown good form under the saddle at the end. Won over 1140 meter second last. Nice conditions money-wise.

## RANK

**2 Cala Bona** gets our pick in this rather weak race. Won second last from the lead but now returns after a layoff. **4 Charles P.Hill** also won from the front in July and from that position he has to be considered early. **1 Nybys Leia** has not convinced this year, but is now driven by Jorma Kontio and competes without shoes. Very exciting! **10 Titan Journey** has to defend the starting points of a victory five starts ago. Got a run under his belt last time and had energy saved. Possible in this company.

## RANK

**7 Zeus Cal** faces quite tough conditions money-wise but is good for this company and should have a good chance here. However, he did not trot perfectly last time and returns after a short break. **5 Global Evidence** has not won yet, but it could be his turn now. Especially if Viktor Lyck is able to find the lead. **11 Leader Winner** won closely second last and had a lot of energy spared last time. Early choice. **4 Habanero D.** won easily from the lead but has not raced since that race in April. Quick starter.

## RANK

**1 Önäs Spartacus** made it to the Kungapokalen last spring and finished sixth in the final. Was closely defeated second two starts back. Good task here. **3 Bismillah Face** won easily from the lead second last and finished well to a third spot last time. Driven by the trainer then, Kontio now! **8 Dostojevskij** comes from victory but faces tough conditions here and has got a bad draw. Should not be overlooked. **11 Västerbo All In** has been locked in with energy left in two races after a long layoff. Barefoot now. Could cause an upset.
