2 Frick finished well last time and is in good form. Has a nice starting lane here and should have a good chance to win this race regardless the journey. **4 Lucky Strongbow** didn't get room last time and had some energy left. Is not a quick starter, but is strong in the end. **5 Cartesio** has a fast start and should he reach the front - as we think - he will lead the race for a long time. **6 Bravo Revansch** kept up the pace well last time. Should be counted if the pace is high.

4 Immun E. has only one victory in his career, but the opposition this time is a bit easier and from a good draw he could score the first victory of the year here. **7 To Be A Star** won easily last time from the lead. Will get an offensive trip and should be counted if he manages to find the lead. **3 Moonlight Zon** didn't convince in the last race under the saddle, but is quite good for this class and should be counted. **2 William Viking** followed well from outside the leader last time. Nice draw and should not be overlooked.

9 Frøyu Jerken followed well last time as fourth. The five-year-old would prefer quick pace here and with the right trip from the back he could pass all opponents here. **11 Hovs Rappen** got an inside trip last time and did not look empty over the finish line. Clearly has the speed to be in the fight for victory **7 Frk. Stilig** did decently last time after an inside journey. Difficult starting lane, but can still surprise. **3 Santans** got a defensive trip last time and did alright against a decent company. Nice draw and should be counted.
