7 Justin Bieber Sisu galloped in the comeback last time. The form is a question mark, but in terms of capacity, he should be considered early in this type of race. **4 Lady Wac O.C.** sprinted clearly improved last time. The mare is still without victory, but if she is going to win a race, it will probably be now. **6 Zätasekinen** is decent for this context and if he has found his form he has to be followed. **5 Zacapa** put in a positive effort last time and should not be overlooked with the right trip.

6 Eni Med galloped last time when the opening came over the home stretch. The only victory was taken over the short distance. Our winner in an otherwise open and mediocre race. **7 Ines Suedoise** galloped with lots of energy left in the last run. Good draw and could win this race. **5 Inferno U.M.** has two runs under his belt now and is on the way up. Normally in the mix. **4 Catchtwentytwo** has good capacity, but is not reliable. Possible without a mistake.

7 Västerbo Fudge has probably been improved by the last two starts. Has not won yet but should have a good chance to beat these opponents. **2 O. P's Anna** is the best horse in the first circle and fights for victory without a mistake. **6 Swish Cash** did alright after a gallop last time. Better with that run under the belt and will be in the mix. **4 Oyster Viking** does not win very often, but meets easier opposition this time.

6 Sally MacLennane comes with two straight wins and is in top form. A double handicap is always tricky, but the horse faces easy opponents. Nice task. **2 Önas Power** makes his debut under the saddle and is the biggest threat to our pick. **5 Dream Weaver** has taken seven of his total of ten victories in this discipline. In the mix if well prepared. **4 A.W's Fastlight** did well second last, but has not won yet under the saddle.

7 Åhus Ymer has now got a couple of runs under his belt and is on the way up. Doesn't win very often, but should have the best chance to win this very open race. **10 Skafferprinsen** has good speed for this company. Has not won yet but could score a victory here. **11 Mailis** is often in the mix. Gets a defensive trip here, but has to be considered early with some racing luck. **2 The Komedin** should be able to reach the front and could lead this for a long while.

9 Norrlands Jerven galloped last time, but won nicely in the race before. The eight-year-old has earlier won over the long distance and should have the greatest chance to win the race. **3 MP Vega** is the best horse in this first circle and will certainly reach a good position. Tough and strong and in the battle for victory. **1 Pysla** looked in good shape last time after a quick finish. Prefers a trip from behind and challenges with an opening at the end. **10 Hibo Bungal** is not that bad for this field. In the mix.
