1 Andragathos showed good capacity earlier this summer by finishing third in an E3 heat behind top horse Phantom Express. Did alright for the new trainer last time and driven by Magnus A Djuse now. **6 Perkins** won in the V75 last year and showed high capacity. He then suffered from injury problems and is not in top form yet of course. **5 Everglo Lemon** has also won in the V75 before and kept up the pace strongly in the V75 last time. Very quick starter. **7 Alfred Zonett** has good strength, but faces a tough task.

9 Energy Kronos is very well-bred. Most recently she made her debut for Wikström and won very easily after a quick finish. First American bike now. **10 Candy Celebration** has been second almost every time. Good finish with first American bike last time - same now. **7 Chloe Broline** has been improved a bit with a new bridle and without shoes at the end. Quick starter. **12 Date Night Tusse** showed 12.5/1800 meter after a gallop last time, but is driven by the trainer again and has a difficult draw.

9 Juni Blixt is normally the best horse here. Rainy circumstances last time and not at his best. He is working well and will be driven with an American bike now. Top chance. **3 We like Björs Balder** just kept up the pace last time and the form is a question mark. Not sure if he can reach the front either. **6 Brageson** is our favorite for the lead as he is very fast from the start. He won easily from far behind last time and faces nice conditions here. **1 Guli Frodo** did well last time and is well drawn.
