5 Hola Jerven won comfortably from the lead second last and finished second despite galloping last time behind Sjøvoll Svarten. Chases revenge now. **6 Sjøvoll Svarten** won last time and beat several of today's opponents. Should of course be considered early again here. **2 Eik Samida** was actually more heavily backed than our top duo last time but galloped twice. Won comfortably second last and is an early choice here. **8 Björneng Betty** faces nice conditions money-wise. Will probably find it hard to win this but can be a place bet.

6 Gangsters Eddie is our pick in this cold-blooded race. He is not completely reliable but has shown good skills and without a mistake we think he has a good chance here. **8 Husan Teddy** was second in his comeback last time and should be improved this time. Early choice. **12 Alvin V.S.** comes from victory and has to be considered very early despite this slightly tricky lane. Not entirely reliable either. **9 Ottar** came back nicely after galloping last time. Was superior second last and without an error he can absolutely win here.

9 Rygval was extremely brave last time and finished fourth despite an impossible run. Had three straight wins before that and should have a good chance again here. **8 Skeie Max** won last time and beat our our pick among other things. Is clearly an early choice again here. **2 Jan Livar** is very interesting. He was second from the lead last time behind Skeie Max. Now have a 20 meter lead on our top duo and that can absolutely be enough. **4 Prins Villiam** galloped last time out in a tougher race but had been smooth and good before that. Is a good place bet.
