## RANK

**6 Overload' Em** has won easily but galloped early last time in a tough company. Opens well behind the gate and is our early favorite for the lead. The horse to beat. **10 Barolo Gel** scored a nice victory and sprinted fast as second last time finishing 12.5/700 m behind a good horse. Has been ill after, but is working well now. **3 Gaetan Godiva** has good capacity but is not reliable at all. Won easily when he avoided a mistake. **9 Vidar Burge** has competed in the V75 at the end and met too good opponents. Got a short break.

**4 Ava Modde** did not trot well last time. Before that he won from the lead and has a good chance to get there again. Used to meet tough opponents and has a good chance. **6 Re Vital** never really got the chance last time and finished with energy left. Tighter starts now is a plus. **12 Grude Trygve** never had a real chance last time in a race that was run at high pace. He scored a nice victory before that. **5 V.Viking** has been splendid throughout the autumn and is often underestimated.

## RANK

**9 Capricon Trot** won an E3-qualifier last year and was heavily backed in a Kriteriet heat against Fame And Glory. Meets much easier horses here, but has not raced for a while and the form is a question mark. **1 Jayden De Joudes** should have a good chance behind the favorite. He has been a bit unlucky for his new trainer but is a quick starter and can lead this around. **4 M.T. Tatanka** kept up the pace well last time and belongs to a stable in good form. **12 Evita Jacase** has earlier done well in Sweden.
