RACE 6

Going: **Standard**

The all-weather course at Wolverhampton forms a flat, left-handed oval circuit of just under a mile in length. It was relaid in summer 2014 and the surface was changed to tapeta. The bends are fairly sharp and with a straight of under two furlongs in length it favours horses with the ability to hold a good position as opposed to those who need time to find full stride.

BETTING FORECAST:

TIMEFORM VIEW:

BOMB SQUAD looked rusty after a lay-off when a recent 11th at Leicester and is fancied to take a big step forward now and bag a second C&D success. Saffredi has started out well for his new handler and could emerge as the main danger to John Mackie's reliable sort with course-specialist Arlecchino's Gift and in-form Vape also in the picture.

TIMEFORM VIEW:

PAPA DON'T PREACH won in good style at Chelmsford in October and backed it up with a solid third at Southwell just two days ago, so he's worth a chance to resume winning ways in a thin race despite the quick turnaround. Spanish Angel and Street Life may prove the biggest threats.
