3 Victor Flax is not completely reliable and gallops a lot. He showed good form second last after a short early mistake. He is a fast starter and if he finds the lead, it is the horse to beat for the others. **6 Emirre** is now making his debut for the new trainer. He hasn't started for a while, so he is probably not at his best yet. He is used to tougher opposition though. **12 Booster Broline** will round many opponents here but needs some racing luck. **10 Muscle Will** is more strong than fast and high pace would be an advantage.

10 Bolero af Caramé followed well until shortly before the finish on the outside of the leader last time. In the race before he won easily from the front. Back row draw now but with the right journey he will fight for victory. **6 Bring Me the News** has two runs under his belt now and the form should be on the way up. From the lead, he is an early challenger to our pick. **5 Ravissant** is often in the mix and had a good finish last time. **3 True Lies** has now got a run under his belt and must be counted.

1 Killerina was faced slightly tougher opposition as a three-year-old. She gets a nice trip from here in the seasonal debut and should be counted straight away. **2 Stepping Moneygirl** opens fast from the start and is the favorite for the lead. From the front, she is an early challenger to our winner. **8 Marla Boko** had a nice finish in the final half lap last time. Is good enough to win this but needs some racing luck with this poor lane. **4 Anneli AF** showed good form last time and is now driven by Stefan Persson.

5 Credityuan got a tough race on the outside of the leader last time but followed well. Here we believe that Carl Johan Jepson drives offensively and should he manage to reach the front after a bit, he is the horse to beat. **15 Jolicoeur** now returns after a short break. Did well last autumn and should be taken seriously right away. **11 Hollywood Trick** did well last time a bit behind the winner. Early challenger. **13 Deon W.** owns good speed and should not be overlooked with the right journey.
