2 Nadal BR won a big race last time at Orkla and is developing nicely. Has a good draw and is one of two with a good chance to win. **3 Ready for Cash** is the challenger. He is undefeated and has taken two easy victories. Faces slightly better opposition this time. **6 Gimmefive Ravin** was actually more heavily backed than our our pick last time and finished fourth behind him. Chases revenge here. **7 Clodrique** was second behind Ready for Cash last time and quite clearly defeated. Aiming for a place again.

4 Skylight seems a great talent. Has three wins in a row and comes from a slightly surprising victory in a bigger race at Jarlsberg. Good draw. **5 It's Only Magic** challenges. Has three wins in a row and seems to have very good capacity. **7 Facethewine** is coming from a surprise win and should not be overlooked again. Tricky number. **2 Taminara** has also won but is normally not good enough to challenge our top trio. Maybe place from a good draw.

6 Lilium Sisu is our pick in this nice race for three-year-old mares. She was second after a good finish second last and showed good speed last time in an E3-final. **5 Nordic Beauti** has two very easy wins from the lead in Denmark and looked fine. Faces tougher opponents now but should be considered early. **7 Lady Nova** has already three wins. Did well behind Nadal B.R. last time. Tricky draw. **3 Nelson Eleonora** was heavily backed in the debut but had to settle for second place.

2 Jackson Avery is our winner. He comes from an easy victory in the lead at Årjäng. Can open very fast and has a good chance to find the lead. **7 Miss Pepper** comes from two good second places. Tricky draw but has to be considered behind our favorite. **6 Beads** has by far earned most money in this race but perhaps not quite lived up to the expectations. Early choice. **4 Hell Patrol** took a total of five victories last year but has not been as successful this year so far. Should not be overlooked.

3 Åsaodin was not at his best second last but has otherwise convinced and taken three victories this year. He has a very good task here. Top chance. **7 Storm Annsгал** wins quite often and is better than the latest results show. Finished well last time but had to come from far back. **6 Eik Best** was ahead of Storm Annsгал over the finish line last time. Is consistent and good but wins very rarely. **5 Hovs Rappen** was third last time at Årjäng. Could cause a surprise if the favorite fails.
