**C1 - PRIX FRANCOIS DE CHEVIGNY - 4700m (a3m) - TURF - Class 2 Race
- Cross - EUR € 30,000**

1. DONNE LE CHANGE - Won his last two races, the latter a Class 3 cross country race at this track on May 27th over 4700m. Player

3. ICEO MADRIK - Unplaced last time, 2nd before that over 5000m in a cross country at Craon on June 10th. In the mix

4. WHY - Has two 3rd placed efforts of late, the latter over 3900m in a claiming chase at Compiegne on October 3rd. Tries a new discipline and is best watched

5. IRONIE DU LAC - Won two runs back in a Class 4 cross country at Vittel over 5200m on August 2nd. Has work to do

6. ST REGIS OLIVIER - Unplaced last time, won before that over 4500m in a Class 3 cross country on August 18th at Le Pertre. Needs a few to falter

7. JEREVIENDRAI - Nice 5th on seasonal return in a Class 4 chase at Nancy on September 29th. Can strip fitter this time and be competitive in this new code

Summary: JEREVIENDRAI (7) will be fitter for a recent run and can make a winning debut in his first run in a cross-country race. He has the most to fear from the hat-trick-seeking DONNE LE CHANGE (1) who scored at this track when last seen in late May in this discipline. ICEO MADRIK (3) can also keep the two already mentioned honest and will surely be involved at the finish. GUMPCHOP (2) heads the remainder.

C2 - PRIX DANIEL MERLE - 3450m (a2m1/8) - TURF - Class 2 Race - Steeple Chase - EUR € 60,000

1. LASCARIS - Nice form over hurdles and fences on the last two runs, the latter when 2nd at Moulins in a Class 3 hurdle on September 21st over 3500m. Player

2. KABALLERO - Three unplaced runs of late, the latter over fences at Fontainebleau on October 5th over 3600m. Others make more appeal

3. WORLD APART - Unplaced on his chase debut at Auteuil over 3500m on September 10th last time. Won on hurdles debut in April at this track. Should give a better account of himself

4. EARLY MIST - Fair 5th on his chase debut at this track over 3450m on October 3rd on his chase debut after a win over hurdles in May. Will be more focused this time around

5. KOTKIDINA - Unplaced last time, won before that in a Class 2 chase at Dieppe over 3500m on August 30th on her chase debut. Leading chance

6. L'ANNAPURNA - Fair 2nd on her chase debut last time at Fontainebleau on October 5th over 3600m. Looks progressive

Summary: KOTKIDINA (5) parted company with her rider at Auteuil when fancied to win last time in a Class 1 chase earlier this month. She could find this a bit more to her liking and can score from LASCARIS (1) who has nice form over hurdles and fences. He was third in a competitive hurdle at Moulins in late September when he last appeared. EARLY MIST (4) was not put in the race on his chase debut and will be more focused this time. L'ANNAPURNA (6) makes up the shortlist.

7. **SUN LADY MARINE** - 5th last time, won before that over 2550m in a Class 2 hurdle at Chateaubriant on July 16th. Needs a few to falter

Summary: BEST OF US (2) will be more at home in this race than the Listed hurdle he ran in at Auteuil last time. He won over this track in late May and should be too smart for his rivals. STENCIL (3) could be useful. He scored on his debut at this track in mid-May and has been given some time since that success. COEUR D'AMOUR (4) scored two starts ago at Nantes and can not be excluded. LADY DU CHENET (6) is also worth considering.

Summary: MELODY ROYALE (3) scored at Auteuil two starts ago and if emulating that run she should be too smart for her rivals. LES FLOTS BLEUS (7) was third in the Auteuil race behind the selection and could be the main danger. BAILAK (8) was fourth that day and looks like a sensible option each way. SPRING WAY (11) faired well at Moulins on her latest run when she was fourth and looks best of the remainder.

Summary: BELLODAM (2) will be a tough nut to crack. He has won twice in his last three starts and scooted home by nine lengths at Auteuil on the latest of them in late September. He could have the most to fear from MESSY (1) who was third in the Auteuil race and is better off at the weights this time, but has a good deal of ground to find.
