11 Lokatt gets the tip in this tricky cold-blooded race for mares. She has shown good form and without a mistake she should have a good chance. **9 Guli Stina** has done well at the end. The horse also ran a race at Bollnäs last Friday. New driver now. **12 Wilda Astrid** won in a good way last time and beat Glittra among others. Tougher conditions now, but still early contender. **3 Järvsö Britt** has a 20 meter lead towards our top trio and won on this track in September.

2 Global Easy Rider has done well this year and already taken six wins. Nice conditions here and can take the lead. From there he won second to last. Tomas Pettersson is driving now. **4 Timeless Sunset** comes from two good second places. A bit tricky number now but very early choice. **3 Baron Muscles** should get a nice race and is driven by Henrik Svensson this time. Good form. **8 Vilja T.Y.C.** does not win very often these days but faces good conditions money-wise and meets easier horses this time.

5 Troll Sterk Odin galloped directly last time but has otherwise shown good form at the end. Gets the tip in a fairly open cold-blooded race. **6 Hibovalle** won last time and beat several of today's opponents. Interesting draw now. Early contender with the right start. **1 Tekno Filur** was closely defeated by Hibovalle last time and is looking for revenge. Interesting lane. **3 Rams Bror** took the lead in the same race which Hibovalle won and galloped shortly on the home stretch. Is a quick starter and our favorite for the lead.

2 Overload'em has a nice task here. We think that Robert Dunder finds the lead here and then he will not be easy to beat. **5 Vixi Garbo** is a good challenger though. Has shown good form at the end and is an early contender with the right trip. **1 Perseus Digital** has two runs under his belt after a long layoff and will probably get a nice trip on the back of the favorite here. **4 Gobernante** finished very well behind Steady Roc last time. Faces nice conditions and should be considered early.
