6 Neymar Boko should have a good chance here. He has done well so far and is coming off a win. **4 Gold From Heaven** is the only real challenger. Claes Sjöström's horse has also started well and, among other things, taken two wins from the front. Probably takes the lead here. **2 Odens Riff** has not won yet but is strong and was second over today's long distance at Solvalla in September. **8 Cosmoz Rice** has a poor number but it is not a big problem in this small field.

9 Jiminy Brick has galloped so far but last time he was still able to win easily. Conrad Lugauer's horse looks to be talented and has top chance without a mistake. **10 Chill of Mine** has started with a win and a second place. Is not as good as our favorite but can win if the latter one would fail. **5 Jeppas Zeppelin** probably takes care of the lead and was second in that position last time. **3 True North** gets a good trip (pocket?) and can be dangerous with Magnus A Djuse.

3 Casino Vendil had not won for a long time before last. There, however, he found the lead and won easily. Marika Eriksson is hoping for a repeat here. **11 He's From Heaven** had the same draw last time and sprinted very sharply to second place. With the right trip, he challenges again. **1 Vichel J.C.** won with this driver at Rättvik in July. Can open fast and should get a good run from here. **9 Zenit Millpond** is not that bad and faces somewhat easier opponents now. Has a run under his belt.

2 Zätamustangen got an impossible trip last time and we forget that race. He is fast from the start and won from the lead second last. Good chance. **6 Ajlexes Hans** won a V75 race from the front on this track in May. We think he will have a hard time getting past our pick here. Still early contender. **8 Judge Dredd Sisu** was second and just closely defeated in the V75 second last. Difficult draw but with the right trip, he challenges our top duo. **5 Rio Alta Wine** is clearly better than the latest results show. Good lane and Mika Forss.
