8 Soul Tan scored a very good second spot in the lead after a layoff two starts back. Never got a real chance in the last run but looked nice. Our winner. 3 Epimetheus had a good season last year. Was not very successful in the seasonal debut but belongs to a stable in fine form and faces quite easy opponents here. 1 Sweet Eddie comes from a sensational victory and is back in good shape again. Over-pace was an advantage then but he was improved as well. 2 S.G.Charpentier found the lead with this number in the last run and was never threatened after that. Outsider.

8 Atomic Face has met tough opponents for a while now and looked nice without winning. Got locked in two starts back in the V75 and finished strongly in the last run. It is his turn now. 3 Global Lover found the lead in the last run but was too fiery and the pace became too fast. Is better than the results show. Challenger. 6 Barry Wadd is on the way up and set a nice time two starts back. Was improved and should not be overlooked. 7 Get Ready on Tour finished fast in the last run a bit behind the winner. New driver now and good form.

9 Proximity is on the way up after a layoff. Finished well in the last run and faces nice conditions here. Good chance. 7 Joanna Sisu has also been improved lately and is developing well for the new trainer. Found room late in the last run but finished fast. 1 Emelie prefers to run in the front and is an early contender with this nice number. Galloped in the comeback and the form is a question mark. 10 Adele Gel put in a very good effort in the last run after a tough journey but galloped probably on the way to victory.

8 Queen Tresher has been strong this year and become more reliable than she used to. Comes from a good V75-win and will normally be hard to beat. She can do it tough. 2 Ektara got an offensive trip to the lead in the last run and scored a good second spot. Perfect conditions here and offensive journey again. 4 Mellby Interest beat Ektara in the last run after a good finish. Tougher conditions now but good enough to fight for victory. 3 Be Sober is a quick starter and could lead this for a long while.

12 Ragnhild W.M. was successful as a four-year-old last season and has developed well as a five-year-old too. On the way up and the horse to beat. 8 Ängsthea is also gifted and she has developed too this season. Finished very strongly to victory in the last run. 14 Hulte Annika is strong enough to do it tough and comes from a impressive but close win. Will certainly get an offensive trip here. 1 Teknolina could take advantage of this nice number. She is in good shape. New driver.

8 Global Badman can match the best horses in Sweden when he lives up to his capacity. Won in the Golden Division two starts back and convinced. 5 Spickleback Face has also good capacity but did not convince in the beginning of this season. He recharged the batteries. Interesting start here. 6 Pinto Bob is very good every now and then but has not convinced lately and the form is a question mark. Normally a challenger. 7 Tjacko Zaz has almost earned four million SEK. Comeback here and will find it hard to win this.
