## RANK

8 Sidney Celeber is very gifted but has not won yet for the new trainer. Faces easy opponents here and can do it tough. 12 Charlock Wiking is also good for this class and he is on the way up. Won easily from outside the leader in the last run. 9 Daven Port gave up in the last debut for a new trainer but has one run under his belt now. Warning. 1 Chiffchaff could take advantage of this number. Has shown good form for a while now.

1 Gaetan Godiva has been up and down so far but won in the front and could lead this for a long while again with this number. 4 Champagne Trot got a nice defensive trip in the debut for a new trainer in the last run but finished well and has to be considered here. 10 Cittra Vendil has been consistent and was brave in the last run after quite a tough journey. Good form and early choice in this open race. 9 Global Divider has been improved this year and is possible too in this company. The Jakobsson stable is on the way up.

8 Isac Journey is tough and uses to get offensive journeys. This back row draw is a handicap. Good chance if he finds room in time. 9 Pop the Music was too fiery in the lead in the last run but kept up the pace well to a fourth spot in the V75. Easier opponents now and has to be considered very early. 7 Carna Solero has looked nice this spring and is in good shape. Nice number and interesting in the lead. 5 Wiltons has been improved for the professional trainer. Won very easily in the last run but beat quite mediocre opponents.

4 Gatling opened fast and found the lead despite a back row draw when he won comfortably in May. Tougher opponents lately but perfect conditions money-wise here. Good chance to lead this throughout. 6 Happy Go Pepper wins often but had some problems earlier this spring. Has recharged the batteries and the stable is in good shape now. Early contender. 11 Sobel Caviar came back well after a mistake in the last run. Poor number here and tough conditions money-wise too. Has the right attitude. 10 Leroy Boko won three out of four races last year before he got injured.
