8 Envis has shown enormous strength and continues to develop strongly. The distance is an advantage and despite some tough opponents he should be outstanding here. **7 Kalmar** has always had a good reputation but not been at his best lately. The form is on the way up though with three runs under his belt after a long layoff. **2 Lill Hans** showed last time that he stands the distance. Could lead this for a long while. **9 The Soldhöjdens Drake** is tough and won last time under the saddle. Could be even better now.

9 Honesty scored her first victory under the saddle second last. Looked on the way to a new win in the last run but galloped due to the track surface. Looked nice though and with a perfect draw and top form, she could take revenge directly. **5 Bunch Of Budgies** was strong last time and likes to in race under the saddle where he has two wins out of five. **4 Inge B.Svärlig** was heavily backed in the last V75-race. Interesting debut under the saddle. **1 Botticelli Grif** has competed a lot under the saddle and is making an interesting debut for this trainer.

7 Re Vital was approved in the debut for Jan Olov Persson last time. From a similar draw, he showed good starting speed and with the latest effort, the form should be even improved. He has won nine races and three out of four over the short distance. **4 Sjöli Morten** came back very well last time and if he avoids a mistake, he is good enough to win the race. **10 Ava Modde** is very gifted too but this number is a bit tricky over the short distance. **6 Pannemanne** is better than the latest results show and will be driven by Ove A Lindqvist for the first time.
