5 Vision of Gideon has a nice task here. He has good capacity for this class and won seven races last year. Our tip in a fairly open race. **7 Ekas Zalming** is certainly good enough to challenge but the form is a small question mark. He is fast from the start. **3 Endwithastar** can also open fast and he came in second from the lead last time. Possible from that position. **8 Jello W.** has got a bad draw but faces nice conditions. Barefoot plus bike now. Interesting.

3 Sartre took a very good win at Solvalla in April and has a good chance here with a similar effort. Galloped most recently in a ridden race as a favorite. **5 Fancy Free** is also good for this field. Can open fast and chases the lead. Dangerous from there. **11 Julius Cortina** is trained by Björn Goop but driven this time by Carl Johan Jepson. The horse won last time from the front but has to attack from behind now. **7 Network Eagle** has yet to win after 23 attempts but is in good form.

1 Juicy is our pick here with some hesitation. Put in two good efforts in November but has galloped this year. Can open fast and gets a good trip. **8 Courage** is in top form. Had energy left second last and finished fast last time. Bad draw. **9 Lady Vici** was second after an inside trip last time and did well. A bit of a tricky number here. **6 As Always Marke** is worth a warning. The horse is a very quick starter and our favorite for the lead. Could become dangerous from there.

12 Benchmark is the best horse in this mediocre race. He faces good conditions money-wise and had energy left last time. New driver and good chance to pass all opponents. **7 Equal to None** is a stablemate to our winner. Is good for this field and has to be considered early. **3 Leandro Boko** has already four victories this year. Is fast from the start and the favorite for the lead. Could surprise. **2 Toruk Makto** has not won yet this year but shown good form at the end. Can be an outsider.
