RANK

10 Ramos is too good for this class. The five-year-old has won seven of 17 starts but he has not convinced so far this year. He was completely superior in a similar race second last and should have a good chance again. **9 Wehadthemall** won very easily last time in an apprentice race which was well deserved after several nice efforts in a row. **4 Sweden OZ** has not impressed so far, but could reach the front here. **11 Quickly Jade** could get good cover from the other horses with a handicap.

5 No Limit made his debut last time for the new trainer but never got a real chance. Has a run under his belt now and is better drawn the main rivals. Our pick. **10 Proffs** got an offensive trip last time but gave up at the end. He had had a pause before that and should be on the way up now. **12 Bear Expectation** has good capacity and good strength for this class. **9 Heavenly Flavours** is good for this class.

Pine Mahara** has a run under his belt after a long pause and will now compete barefoot for the first time in his life. **12 Brilliant Tilly** has the best capacity in this field, but is a bit tricky.
