3 Kyrkebys Arli showed good speed last Thursday but could not really challenge Lucky Lane, who is a good horse. Nice draw. Our pick. **1 Berghsäker WF** has a good draw and can take the lead from here. In that case a lot is won. **6 Flys Popcorn** was second over this distance at the end of June. Met better horses at Solvalla last time. Probably barefoot now. Interesting. **4 Atlantico** took his first win in the 22nd start last time and was definitely good. Faces quite tough conditions money-wise but has to be considered.

5 City Chic is our pick because we think he can reach the lead here. He won easily in that position second last. **8 Helmi Sky** has a bad draw but faces good conditions money-wise and is in fine form. Finished nicely last time as second. **9 Elusive Brodda** is trained and driven by Claes Sjöström, who is usually successful at Visby. Returns after a layoff. **4 Youcan'taffordme** is another three-year-old filly. She was not at her best last time but will return with newly charged batteries.

15 Neeskens is our winner in this very open race. He faced too good opposition last time but had shown fine form before. Tricky draw of course, but should be considered early on with the right trip. **1 Chilly Silvio** has a perfect lane and will surely get a good trip from here. Early choice. **2 Närking Band** won closely from the lead second last and is driven again by Claes Sjöström. Probably goes for the lead again. **7 Forcebewithyou** is a little up and down but took a commanding victory earlier this year. Possible here too.

10 Iceland Falls put in some splendid performances last year. Hasn't been as good this year but is clearly facing easier horses this time. New driver. Good chance. **7 Dragster** is twelve years old but still going strong. Early contender behind the favorite. Stefan Persson drives. **6 Maverick Dream** gave up last time but had shown good form second up before that. Contender behind the favorite. **9 Sign Me Up Too** won last time from outside the leader on Åland. A little tougher now but should not be overlooked.
