7 Stensjös Henessi comes from two early gallops and even if there are question marks around his form, he should still be ranked highest based on his capacity. Good chance if he avoids a mistake. **3 Ares Maanos** has put in several good races. Still has not won, but we believe he will do it soon. **4 Mezcal Teorvici** has good skills, but is not reliable. In the mix without a mistake. **12 Ryssebos KungOscar** is the strongest in this field and would benefit from high pace.

1 Young followed well last time after a strong journey. Finds it hard to reach the front, but should be able to get a nice journey together with Jepson. Our pick. **2 Stensjös Pierh** comes back after a short break. The form is hard to predict, but normally he is good enough for this type of race. **4 Maze Craze Ass** followed well last time. Won five starts ago and needs a new victory here. Early contender. **6 Don't Thell Me** is undefeated in the lead and should be considered early as well.
