7 Betting Pacer is the best horse in this field and despite this handicap over the short distance, she should have top chance. **6 Lobella** found an early lead at Jarlsberg. Was seriously challenged at then but won closely. **3 Denco's Rioja** has made good races for a long time, but without winning. Is good both in the lead and from behind. **1 Entrance** was not at his best last time, but Anders Svanstedt thinks it was the trip to Visby that caused the poor effort. Nice number.
