Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test. Over both five and six furlongs, there is a relatively short run to the first bend.

2-5 Qazaq, **7-1** Tex, **12-1** Huntly Lodge, **14-1** Forest Haze, **25-1** Shades of May, **33-1** Doctor Awtaad

TIMEFORM VIEW:

QAZAQ created an excellent impression when making a winning start under a hands-and-heels ride at Chelmsford 10 months ago and this appeals as an outstanding opportunity to maintain his unbeaten record. Tex was possibly unsuited by conditions at Leicester last week and looks the one to follow the selection home if returning to something like his debut form.

Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test.
