6 Ester Degli Dei impressed greatly during the Elitloppet weekend when she showed 1.09.5/1640a. Should have top chance to take her seventh straight win. **1 Caia** made a fine seasonal debut and from a good draw she could finish second behind the big favorite. **9 Daim Brodda** won with energy left last time. Nice lane for a defensive trip and passes many opponents at the end. **8 Brie de Meaux** uses to put in consistent and good efforts. Tough draw now and is mainly a place bet.

4 Karaboudjan won Drottning Silvia-pokalen second last. Is strong and tough and should have the best chance to win this race. **6 Naomi Bros** finished sharply last time and continued to show top form. Would prefer a run from behind at quick pace. **3 Foxtail Pine** won easily last time with energy left. Quick starter and should be considered early in the front. **8 Sobel Excellence** has been good in this year's both starts. Has taken all four wins from the lead, but finds it hard to get there now.

Barefoot again which is a plus. **8 Mellby Lion** comes in top condition, but has a poor lane to handle. In the mix but needs some racing luck. **7 Elegance Kronos** was a bit behind our pick last time. Has won two out of six over this distance and should not be overlooked.

Has the best speed of this race, but number five in this circular start is a question mark. **11 Heavenly Laday** can reach a good position from here and is one of the better horses in this race. **6 Tori** is not reliable, but can do it tough when avoiding a mistake.
