4 Estrella Brillante has good skills but gallops a lot. She makes her third start for the new trainer and should have a good chance in this wide open race. **3 Homemade Pudding** is well drawn and not that bad. Challenger. **1 Fivetoparkavenue** can open fast and should reach a nice position with this number one. In the mix. **2 Levels** has not won yet but should be followed anyway with this nice lane.

8 Don't Thell Me got locked in with energy left last time. Is better than the latest results show and should have the greatest chance to win this race despite the poor lane. **4 Bellatrix Doc** gave up from the lead last time. Could reach the front again here and has to be considered. **3 Awesome Doc** is consistent and good and should be considered from a nice starting position. **7 Svärdbros Dream** galloped last time on the way to a good result. Is in better form than the results show.

1 Ina Crown is coming back after a break and of course there are question marks around the form. Nice number though and faces quite easy opponents. Our pick. **2 Mamba Forever VS** gave up last time, but should still be seen as the biggest challenger to the stable companion. **4 Crizzy** has mostly started over the short distance at the end. Is normally good enough to be in the mix here. **8 Fiona Pavlova** doesn't win very often, but is still an early contender here.

8 Being Jolly has made two starts under the saddle and put in nice performances. Is fast when he can save the speed and with the right trip he has a good chance to win the race. **10 Duchesse W.F.** makes her debut for a new trainer and also under the saddle. Hard to predict, of course, but has good capacity and will be in the mix. **9 King Mr Theo** is an experienced and good horse in this discipline, but comes with a question mark around his form. **2 Handle With Care** is not completely reliable, but if she is at her best she could fight for victory.

9 Kick The Dust Ås has done well for a while, but not quite enough to win. Now this task looks clearly interesting and the eight-year-old should be seen with the greatest chance to win. **6 Lady Dee** makes her second start for the new trainer. Can open quickly and is an interesting bet in the race. **1 Eye In The Sky** has got two runs under his belt after the break and is starting to approach top form. Has to be considered from a nice starting position. **10 Tornado Dream** will run barefoot which is a plus.

11 Lightzon returned after a break last time and has got a run under his belt now. The shape should be a little better now and he could reach a nice position directly with this lane. **14 Grimfrost** was good when he won last time and with a similar effort, he is once again in the battle for victory. **10 Peach** scored a nice win second last. Can speed to victory with the right trip. **13 Monte Carlo** could be in the mix too despite not having started for a few weeks.
