**4 I Am Don Max** has done quite well in two races since the layoff and should be on the way up. Gets the tip in this mediocre race. **1 Samino Jons** rarely wins but has shown good form at the end. Could get a nice inside trip from here. **10 Manjula Fame** has done alright at the end and is now driven by Victor Rosleff. Interesting. **3 Figurine de Fer** has done quite well this year but the form is a question mark. Good lane and faces nice conditions money-wise as a filly.

**3 Awesome BB** won very easily from the lead last time and opened quickly then. Good chance to lead this from start to finish. **12 Emil Jons** galloped last time but had taken two good victories before that. Bad lane here but main challenger nonetheless. **11 Gländeria** has done well but not always trotted perfectly. Returns after a layoff here. **6 Vandark** was second last time behind Gunvald who won a V75 race last Saturday. Rosleff again.

**7 Head or Tails** has three wins from eight starts this year and has done well. Wasn't at his best last time, though, and the form is a bit hard to predict. Normally an early choice. **4 Cheyenne Face** still has not won after 25 starts. Faces quite tough conditions money-wise here, but we think he should be considered early in this field. **5 Pippi Jons** won last time but has been a scratch for fever last time. Possible if healthy again. **12 Närking Band** has a poor draw but should not be overlooked in case of quick pace.

**15 Maverick Dream** has to pass a lot of horses here but we think he still has a good chance. He won very easily last time and will certainly get an offensive trip. **2 Return of Mogens** is the main challenger. Has been quite consistent and good this year and is now driven by Victor Rosleff. **3 Stojweiler One** has also shown good form at the end and is an early choice behind our favorite. **1 Bugatti Veyron** certainly gets a good trip from here and can surprise with a perfect journey.
