**8 Kenya Sotto** held strongly from the lead last time. Got a little break before that and has certainly progressed form-wise. Tricky draw, but has a good chance to win the race in different ways. **6 Iselin** did not convince last time, but needed that race. On the way up and early contender. **5 Challenge Accepted** comes with two straight wins. Faces tougher competition now, but still an early choice. **7 Hookedonafeeling** is gifted and should not be overlooked despite this starting position.

Tough and strong, but needs quick pace to be in the mix. **9 Hr Grev Ditmar** gets a defensive trip here and is primarily a place bet.
