5 Autumn Shine LA made his seasonal debut last time. He convinced a lot and led the race from start to finish. Is ideally drawn and he have a good chance again to lead this throughout. **9 Nevio Boko** has been matched against tough opposition and even if the form is not at its best in this seasonal debut, he is good enough to fight for victory. **6 Jasper Lee** is coming from two strong performances. **3 Kom Khaleesi** did the job on the outside of Autumn Shine LA last time and was really brave.

8 Global Election showed high capacity last year, but did not get it right in the bigger races. She is now making her seasonal debut and the current form is of course a bit difficult to predict, but the opposition is not too strong today. **3 Flamenco Girl** is a quick starter and from the lead, where she is undefeated after three attempts, the four-year-old should be counted early. **7 Run Queen Run** showed good pace last year and is now making an interesting seasonal debut. **2 Elettra Robin** can finish very fast.

9 Alessio put in a good effort in his seasonal debut last time and should be advanced considerably by that run. In terms of capacity, he is among the best in this field and with these conditions he should have the highest chance to win this. **3 Springdayfree** is in top form and from the lead or with the right trip from behind he becomes dangerous in the end. **2 Cocktail Cake** must be taken seriously from the lead or the position behind the leader. **4 Faetter Filur** comes with two straight victories.

6 Sunrise makes his seasonal debut. Made it to the final of Sprintermästaren last year and uses to do well after a longer break. **2 Fönix Vang** is in top form. Last time at Charlottenlund, he won from the outside of the leader without using the Norwegian bridle. Quick starter, but finds it difficult to answer Amazing Hazel. **1 Bold Request** makes his seasonal debut. Has a tricky draw since he is not a very quick starter. Barefoot is a plus. Should be counted if he finds room in time. **7 Deal Done Zet** is very gifted and has two runs under his belt now.

6 Wilson Laylock is fastest from the start and likes to run in the lead where he has two wins in four attempts. Good chance to lead this from start to finish. **9 Yuvaraj** makes his seasonal debut. Last year he competed in the V75 directly in the seasonal debut and won very easily. Nice conditions money-wise here and will challenge. **8 Humanity Pellini** has high capacity and is good enough to win from the outside of the leader when he is at his best. **3 VästerboStreetview** finished well last time and should not be overlooked in a race like this.

3 Dear Wise As has a nice task and is probably in the lead after a while. If he will be allowed to dictate the pace, he will be hard to beat. **5 Zebulon** makes an interesting seasonal debut. He competed in a heat to Kriteriet last year. On pure capacity, he is good enough to win. **8 Parameter** lost many meters after an early mistake last time, but won still easily. Not reliable, but has good speed. **12 Make Or Brake Zaz** finished fast but never had a real chance last time. Has good skills for this class.
