9 Greenhill's Dancer scored a close win at the end in the last run. The five-year-old now has two runs under his belt and is starting to approach top form. Good chance of winning despite the lane. **2 Tumbling Dice** can open quite fast and is a close favorite for the lead and from that position he will not be easy to beat. **8 Mr Montechristo** won an easy race last time, but the impression was good and we won't be surprised he scores a new victory here. **11 Kit De Luca** has not convinced lately, but the horse has the capacity to be in the fight for victory.

1 Bourbon Split gets better with every start. Magnus A Djuse for the first time and from this good starting lane the horse should have the greatest chance to win this race. **10 Västerbo Yes Box** got defeated in the end, but made a good effort. Is strong and can do it tough. **12 Ekolod** was very fast second last when he showed 14.2/1800 after a mistake. In the mix without a mistake. **4 October Skies** returns after a break. Had shown good speed before and should be followed.

9 Adthemission won despite a tougher journey last time and showed that the form is almost at its peak. Now facing a nice task and should have the best chance to win this race despite this back line draw. **2 Luv Lois Schermer** is almost as good as our pick. However, the shape is somewhat difficult to judge. Should still be seen as one of the main challengers. **10 Mr Birdman** has made several good efforts, even if he galloped last time. Will probably run barefoot for the first time. **8 Ängens Starman** has been competing in the V75 at the end without being successful. Easier now, but is poorly drawn here.
