11 Önas Spartacus is strong and can do it tough. Tricky lane here, but faces a nice task anyway. Our pick. **4 Elysia** won in a good way last time in the debut for Oskar J Andersson. Nice draw and is normally in the mix. **1 Massai** has a nice starting position and he should not be overlooked as the form is really good. **7 Hot Dansk Dynamite** is not bad for this class and can surprise despite this lane.

3 Nautica comes in fine form as he has made several strong efforts at the end. Is not a quick starter, but has a strong finish. **1 Last Chance** is not completely reliable, but should he avoid a mistake from the start and be able to defend the lead, he has to be considered. **5 Nott Eck** has a run under his belt and will be improved for this start. **6 Natalie Coger** didn't look empty last time and is clearly better than the latest results show.

4 Little Richard returns after a layoff and has been a scratch after the last start. Fights for victory if well prepared. **8 Netflix** won in good style last time at Örebro and with a similar effort now, he is in the mix again. **7 M.T. Tapdancer** scored a good win second last. Prefers to run in the lead and should not be overlooked if she gets there. **10 Hurricane P.T.** was not far behind last time. Would prefer high speed and should not be discounted despite this lane.

3 Fine Matters has won five of six starts and been at least second. The four-year-old will find the lead early on and then he is not easy to beat. Top chance. **6 Ninepoints Winner** is used to tough opposition and this time he benefits from running barefoot. Challenger. **4 Sir Flax** put in a good finish last time. Better with that run under his belt, but should primarily be seen as a place bet. **7 Never Give Up** got locked in last time with some energy left. Better than the latest results show.

RANK

12 Friend Of Elves has the highest capacity in this race and, despite a tricky starting position, he should be seen with the greatest chance to win this race. **3 Global Dependable** returns after a long break. Is hardly in top form, but should still be considered. **2 Bradbee** looks in good shape for the day and should be followed on from this nice starting number. **1 Chip Mc Kei'em** can hardly take the lead here, but in case of high pace and an opening at the end he could be in the fight for victory.

2 Queen Of The Night won easily from the lead last time with some energy left. Quick starter and is the horse to beat from the front. **5 Lucia Lane** won last time after a perfect trip. Speedy with the right trip from behind and could cause an upset again. **7 Madewithlove** is used to tough opposition, but has not started since July and the form is hard to predict. **12 Mona Moonlight** was not at her best last time. Can do better than that and has to be considered despite this starting position.
