11 Just Gary is our pick in this amateur race. Comes from two victories in the lead but showed in August that he can win from behind as well. Jan Silvén was the driver then as well. **8 Hydra** took his first win in the 21st start last time. Has done well in two races for his new trainer. Can open fast. **5 Västerbo Amaretto** has two runs under his belt after a very long layoff. Was improved last time and should be on the way up. **1 Pink Fant** faces tough conditions but is a quick starter and has a good draw.

3 Dynamite Sensation gets the tip in this open race. He has clearly shown best form at the end and is well drawn. We think he gets an offensive journey this time. **6 Power Doc** challenges both for the lead and the victory. Åke Lindblom's horse comes from a second place and is an early choice in this company. **7 Rotate** is better than the latest results show and is driven by Per Lennartsson this time. **2 Doyourbest** rarely wins nowadays, but Björn Goop's horse has a good lane and should not be overlooked.

2 Incomparable is in top form and comes with three straight wins. The four-year-old is fast from the start and chases the lead. Good chance in that case. **8 Venture Capital** is probably the best horse and faces good conditions. Has two runs under his belt now and should be on the way up. **7 Ca' Belli V.W.** can open fast and has an interesting lane. Has been good at the end and challenges. **4 Vincitrice** has shown good form at the end and is driven by Per Lennartsson this time, which is interesting.

6 Antonio Jet was superior from the lead at this track in August and is also coming off two wins in the front. Good chance to get there again. **1 Hyannis Port** is perhaps a better horse than our pick but the question is where he ends up from here. Has shown that he can do it tough. Early choice. **2 Excellenzen** was second last time as a big upset in a V75 race and is in top form. New driver and nice draw. **11 Inferno Launcher** finished well as runner-up last time. Needs some luck here. Jepson again.
