5 Jack Link comes with two strong victories in a row. From here he should be in the lead early on, and from there he is undefeated after four attempts. **10 Bonus Credit** has developed brilliantly for each start. Last time he decided in comfortable style and the opposition is equal now, but work is required along the way. **2 Victory Apollo** has good capacity, but is not reliable. **3 Hobitten Shadow** has good form and is a quick starter.

7 Kracdarche won from the first over in the first ridden start second last. It is unclear how fast he can open from this lane, but Anna Erixson will certainly give him an offensive start. **1 Kom Khaleesi** has shown good form in recent starts. First ridden race here and get the top jockey Jonathan Carre in the saddle. **9 Cesaron** comes from victory under the saddle from outside the leader, but has not started for a while. Has to be considered if he lives up to his capacity. **3 Eight** owns quite good speed.

3 Fritz S.H. won the debut for Hanna Lähdekorpi in a convincing way but has not been as good after that. Has a nice task and from the lead he will not be easy to beat. **11 Amazone O.C.** comes from a semi-finals to the Breeders Crown. Goes down in class now and should be considered early despite this handicap. **2 Hotspurs** has shown good form and owns a strong finish. **7 Flight To Paris** showed good form last time and can do it tough.

6 Orosei Boko makes his debut for a new trainer and comes with two straight victories in convincing style. He has shown that he can open quickly behind the gate, but he is just as good from behind. **3 Getting Rid Of** is still without a victory, but is getting closer to that first win and has finished strongly in recent races. **9 Made By Love** was a very good second behind Mellby Mammon last time. **7 Jeriko Brick** started with three straight wins and has been at least third without a mistake.

11 The Last Joke got a very tough journey last time. Scored three good wins in a row before that and normally he is quite strong and can do it tough. **1 Oliver De Bros** should have progressed somewhat by the last run under his belt. Is a quick starter and could lead this for a long time. **13 Dareios Di Poggio** got a tricky journey last time, but looked fine a bit behind the leader and faces good conditions here. **9 Hardcore D.K.** makes his comeback after a layoff, but usually does well right away.

6 Xia Lloyd has taken big steps during the season and now returns after a layoff. The starting speed is her main weapon and despite this lane we think she finds the lead. In that position she is the horse to beat. **1 Queen** has shown top form at the end. A bit tougher now, but with this number she should get a nice trip. **10 Willa Explosive** is tough and has been matched against the best of her year. **9 Mellby Korall** has shown quite good form and is Johan Untersteiner's pick out of two horses.
