V4-1

Auto 2060

RANK

4 Komsålangborg held strongly to a second place in the last race after a trip from outside the leader. Has taken a break after that start but should still have the best chance to win this race. **2 Kåsgård** was good in the last race, finishing third despite a tough race. Better with that trip from behind and could prove to be the strongest at the end. **10 Ikon Egedal** is speedy but not reliable. She will in the mix without a mistake. **11 Orient Newport** is in fine form but has a tough starting position.

RANK

1 Foreign Affairs is used to tougher opposition than what she faces here. Could find the lead and is our pick even if this is her seasonal debut. **6 Gogo Gucci** probably gets a tough trip on the outside but he is good enough to win this anyway. **5 Houdini Shadow** looked nice in the seasonal debut but got locked in. Better with that run under his belt and is normally in the fight for victory. **7 Jackie O.H.S.** will be improved by the last run under her belt.

Auto 1600

RANK

10 Kimibi Kini scored a good win in the last race and showed top form. The mare owns good strength and should have a good chance to win. **4 Gaia Ulkær** did alright last time without winning. Can do even better and has a good starting position this time. **5 I'm Vici** owns nice speed resources but is not reliable. He will be in the mix if he avoids a mistake. **12 Hugo Boss** is consistent and good, but doesn't win very often. Outsider.

RANK

6 Infinitive made an early mistake in the last race. Is normally reliable and this looks like a nice task. He is our winner. **1 I'm All In** is a quick starter and the favorite for the front. Leads the race for a long time. All the way? **7 Diamante Sotto** is consistent but has only one win in 25 starts. Should not be overlooked. **2 Lara Barosso** has a good starting position and gets a nice position. Should not be discounted.
