5 Miss Rachel Zane comes from the fifth win in ten attempts so far. Is developing well and should have top chance here. 4 Headora got one kilo off towards Miss Rachel Zane since their latest meeting. Looked quite nice at the end and will finish second again. 6 El Pepino got one extra kilo off since the latest effort behind winning Miss Rachel Zane. Place chance. 1 Umisedaspot won three times on this track over the middle distance last year. New trainer now but the form is a question mark.

2 Bobcat comes from victory over these conditions but this apprentice had to work a lot. Our pick anyway. 3 Camaluna showed good form in the last run and finished strongly. Likes this longer distance and the six-year-old mares should be considered early. 7 Spoonful Of Sugar is in good sprint form now. Possible challenger but this 1730 dt is a bit long. 4 Black Lir is a three-year-old gelding who could be developing well. IN that case the horse could be an outsider here.

3 Miss Donalita won Lambada Cup in Malmö a couple of years ago and is in good shape. Early choice over this perfect 1200 dt. 8 Thatsthefinest comes from a good second spot behind Mirador over these conditions. Early challenger despite this tricky number. 6 Ramzes scored a surprising win and put in a good effort behind winning Mirador after that. Contender. 2 Mysterious Mind was not at his best in the last run and did not finish. Normally an early challenger.

5 Credit Card comes from a nice second spot behind Mehsmerise. Faces better weight towards the latter one now and could take revenge directly. 6 Mehsmerise has already won three times over this 1200 dt this year. Should not be discounted despite tougher weight. 9 Rastapopoulos won the seasonal debut over these conditions and has done alright after that too. 8 Hazard beat Mehsmerise when he won last year and showed good form in the last race too second up behind the same horse. Early challenger.
